

A screenshot from the game Toontown Online showing a dark, gothic-style castle on a hill under a purple and pink dusk sky. The castle has multiple towers and spires. In the foreground, there's a brick wall and some greenery. The text 'Toontown At Dusk' is written in a large, stylized, red font at the top, with '6 Never looked so good' in a smaller, red, cursive font below it.

Toontown At Dusk

6 Never looked so good

Toontown At Dusk 6

The V2.0.0 Update — Let's get down to the changes.

- New Music:

- Toontown Central Cog Battle Theme
- Pick-A-Toon Theme
- Loading Theme
- Daisy Gardens Cog Battle Theme
- The Brrrgh Cog Battle Theme
- District Attorney Offices

- Lawbot HQ Cog Battle Theme
- Cashbot & Sellbot Cog Battle Theme
- Bossbot HQ Themes switched up

- **New/Other Changes:**

- New logo to further promote the Content Packs uniqueness
- New pick-a-toon screen and functions
- The Toontown At Dusk eyes are no longer fuzzy.
- Bossbot HQ crashing significantly reduced (smaller texture sizes)
- Slightly altered black gloves to be more black than gray

- **Annoyance Changes/Removals:**

- Removed “Spooky Scary Skeletons” theme from one of the racing themes
- UC logos removed, cartoon duckies stayed. 

Lots of other minor changes have been made. Enjoy!
