

Toontown At Dusk

Version 7.5 - Holiday Update

THANK YOU TOONTOWN COMMUNITY!

You've made Toontown At Dusk the most popular content pack of all time, beating Toontown Nightlives original download numbers. You guys have shown nothing but extreme gratitude, kindness, and encouraging words. To express my thanks this Holiday season, I want you offer you this small, but fun and newly detailed Toontown At Dusk update! Happy Holidays to all!

WHAT'S NEW?

LOTS OF FUN LITTLE DETAILS.

- Brand new skybox for Toontown Central, Daisy Gardens, Acorn Acres.
 - The old skybox was starting to show its age, so a more simpler fitting skybox has been created. Thank you Kali (@lolipoptable) for assisting me in this.
- Sellbot HQ has received some major upgrades. Go see for yourself!
- Lots of new music. The list of areas with new music can be found below.
- The Brrrgh has received some new trees to better match the theme.
- Donald in Donald's Dreamland is no longer fuzzy!
- File size shrunk!
- Toon Interiors have been upgraded.
 - Lots of textures changed to match the interior, to help make the interiors feel a little bit more cozy.
 - New flannel chairs can be found indoors.

LOTS OF MUSIC.

- Boss Fighting Theme (Klango Theme: Banjo Kazooie + Super Smash Bros)
- The Brrrgh (Pokemon Sword & Shield: Circhester Theme)
- Donalds Dreamland Indoors (Pokemon Sword & Shield: Slumbering Weald)
- Toontown Central Street (Spyro The Dragon: Dark Hollow)
- Donalds Dock (Spyro Reignited Trilogy: Evening Lake)
- Daisy Gardens Street
- CJ Battle

ENJOY!
