How to Install Content Packs for Toontown Rewritten

Windows:

1. Open Windows Explorer and open your C:/ drive.

2. Find "Program Files x86", and then locate the "Toontown Rewritten" folder.

3. Drag the "resources" folder into the Toontown Rewritten folder, and launch the game.

Mac OS X:

1. Open Finder.

2. On your keyboard, clic, ⌘⇧G (command, shift, G)

3. Copy and paste "~/Library/Application Support/Toontown Rewritten". Hit Go.

4. Drag the "resources" folder into the Toontown Rewritten folder. Launch the game.
